**For classes Nur. To II**

26.07. 2016

Dear Parent,

Hari Om!

Keeping in mind the recent surge in dengue cases in the city, it has become imperative on our part to prevent the spread of the disease. In this regard, the school seeks your cooperation. Kindly ensure that the following preventive measures are followed by your ward positively:

1. Both boys and girls need to come in **full sleeves shirt and trousers**( School Uniform provider has the availability of full sleeves shirt and trouser). In case of non-availability, the student may wear full sleeves school shirt with blue jeans.
2. Students must keep themselves well covered when they go out to play.
3. Additionally, students may apply mosquito repellent cream or patches for further protection.
4. Prompt medical advice should be taken once fever starts.
