Circular No. CV/Acad/2021/002

Dated: 31.03.2021

Hari Om!

Dear Parent,

As we now approach the end of what has been a challenging academic session 2020-21, let us usher in a new decade that promises hope and health.

The Covid Pandemic offered an opportunity to explore ourselves, most of us reviewed our priorities, spent quality time with families and fostered a stronger respect for nature. I thank Parents for the support extended to the school.

The school successfully transitioned to digital learning platform almost immediately upon the announcement of lockdown on account of Covid-19 Pandemic. Not only the staff worked hard to provide online learning opportunities but also our parents contributed significantly to the success of this new digital learning environment.

The Vidyalaya continued to provide to the students a holistic educational experience ensuring that they are being challenged to learn every day, become explorers of knowledge and provided an array of activities leading to all round development.

The school aims to inspire the hearts and minds of our students, and we are more dedicated than ever to continue to show the same resilience and strength in the academic session 2021-22. A wonderful display of talent of the parents was witnessed in their wholehearted participation in the online activities organized by the school.

The online events like Online Felicitation Ceremony and Online Inter-School Geeta Chanting Competition were widely appreciated by you dear parents and the community at large.

A plethora of enriching Webinars encompassing varied fields vis. social, emotional, intellectual, spiritual, creative, aesthetic, physical development were organized for the staff and the students.

With parental collaboration the students participated in various online competitions and won laurels. The Vidyalaya has made all efforts to observe the norms of Covid-19 Protocol and are eagerly awaiting the arrival of students in the school as per Directives of the Government.

The challenge of Covid has given an impetus to blended learning and hence digital learning along with offline learning will mark the future of education.

Dear Parents let us work collaboratively for the development of knowledge, life skills and values in our students as we owe to the future generation a better and sustainable new tomorrow.

"The school shall be making an increase in its fee retrospectively, which shall be communicated to you in due course of time. For the present the Fee Bill is being raised at the rates of the last academic session. The Annual and Development charges are also due and payable but the collection thereof has been deferred for the time being. The same shall also be charged based on the outcome of W.P(c) No. 7526/2020 pending adjudication before the Hon'ble High Court of Delhi".

I thank you all once again for your support and synergy for the same. Wishing the students a fruitful Academic Session 2021-22 and joyous learning.

Warm Regards
