Circular No. CV/Acad/2026/094

Dated: 05.02.2026

Hari Om!

Dear Parent

In view of the news regarding the abduction of children/minors, the school finds it imperative to reiterate strict safety instructions, which must be followed without exception. Student safety is non-negotiable and demands active and responsible parental cooperation.

Parents are strongly advised to have a serious and detailed discussion with their ward regarding personal safety and strict adherence to school protocols.

Please note the following mandatory instructions:

- Making videos or taking photographs within the school premises and posting or circulating them on any platform is strictly prohibited.
- It is mandatory for parents/authorised guardians to carry the Parent/Guardian ID Card while collecting their ward from the school premises. In the absence of a valid Parent ID Card, the child will not be handed over under any circumstances.

Important Safety Instructions

Parents of walkers must personally drop and pick up their ward. If this is not possible, please counsel your ward:

- To follow a safe and approved route only.
- The student walks in a group and never alone.

We **strongly urge** parents to train and regularly remind children:

- Never follow instructions from strangers or unfamiliar adults
- Never to accept food, gifts or offers of help from strangers
- To immediately seek help from a trusted adult if they feel uncomfortable or unsafe
- Not to purchase anything from the hawkers in the absence of trusted elders

It has also been observed that some walkers proceed up to the Metro Station and then travel further independently. This practice is highly unsafe and strictly discouraged. Parents are requested to immediately review and regulate their ward's route and travel.

Any deviation from this will be viewed seriously.

The school shall not be held responsible for any incident arising due to non-compliance with the above safety instructions. Any deviation observed will be dealt with strictly.

Your strict cooperation in this matter is requested in the larger interest of your child's safety.

Regards

Archana Soni
