Guidelines:

- ❖ If a parent has previously held any post in the Executive Committee of the PTA for more than six months, he/she will not be eligible to fill out the Self-Nomination Form. This is to ensure a fair opportunity for other members to be part of the PTA.
- ❖ Only one participating parent, father or mother of each student of the school, will be eligible to participate in the process of selection in a particular Class Cluster, in which the ward is studying.
- ❖ The participating parent should have cleared all existing dues in respect of their ward(s) latest by 20th April, 2026.
- ❖ In case the participating parent has two children studying in the school, they can choose any one cluster in respect to any of their ward. The parent is NOT eligible to participate in the selection process twice.
- ❖ Entry to the school compound during selection process will be regulated. Only the parent having the proper Student ID card issued by the school will be allowed to enter the school.
