True education nurtures the mind, builds character and prepares one for life.

Hari Om!

Dear Parent

As we conclude the academic session 2025–26, we reflect with pride and gratitude on a year that has been both purposeful and transformative. This session has been marked by steady progress, noteworthy accomplishments and a shared commitment to nurturing young minds. We sincerely thank you for your continued trust, encouragement and partnership, which remain integral to the success of our Vidyalaya.

The academic year unfolded as a rich potpourri of learning, leadership, and life skills, reflecting our commitment to the 21st-century skills and competencies and the Chinmaya Vision Programme of Pujya Gurudev Swami Chinmayananda.

Chinmaya Vidyalaya, New Delhi came alive with purpose and possibility, nurturing young minds and empowering educators. Our young minds showcased intellect and strategy at the Chinmaya Vidyalaya Delhi Open Rating Chess Tournament 2025, while the introduction of Skill Subjects—Coding, Financial Literacy, Design Thinking, and Financial Marketing—strengthened critical thinking and future readiness. Collaborations with LogiQids and Innoventure 2025–26 further honed logical reasoning and innovation. Global exposure through Virtual Exchange Sessions with Japan and leadership learning at SOIL Institute sensitized learners to cultural plurality and fostered a universal outlook through meaningful cross-cultural interaction. STEM Water Filtration Activity with 52 students of Grade VI at the Government Middle School, Nayagaon and the Online IT Fest – TECHVAGANZA: CV'25 were a celebration of digital ingenuity, collaboration and youthful innovation.

Social responsibility and environmental consciousness were woven seamlessly into learning through programmes and sustainability sessions with the Nestman of India Mr. Rakesh Khatri in collaboration with Gosharpner, and community engagement initiatives and outreach programmes by the Sewa Club like Myanmar Earthquake Relief Drive, Flood Relief Donation Drive to support flood victims in Jammu & Kashmir, Punjab, and Haryana. Joy of Giving to Navjyoti India Foundation and to the Indian Association for the Blind (IAB). Mental and emotional well-being took centre stage through Mano Drishti and its signature event *Manostav*, alongside sessions on Project Children Against Child Abuse (CACA), Personal Branding, Communication, and Mindfulness.

Indian culture and timeless values were celebrated through Matr-Pitr Abhinandan, the Vyaktitva Curriculum, festive cultural programmes- Garba and Dandiya Beats, Heritage Grid- Gurukul under the Sky, and Dilli Gao Jai Hanuman. The Vidyalaya also participated and won 3rd position in the Chinmaya Interschool Khel Mela in Volleyball. We enjoyed celebrating festivals and special days with our learners and we are certain that you were as awed as us by the presentation of our learners during the Annual Prize Distribution Ceremonies. In the realm of dynamic learning experiences, our celebrations have emerged as vibrant platforms fostering a collaborative environment within our academic community.

Teachers engaged in wellness and leadership programmes, including Rasatman- Nectar of Soulful Living, nurturing Well-being: Mental Health and Fitness. and a professional workshop- Satsang to Sankalp, by our Chairman, Shri. Anil Sachdev Ji, reinforcing reflective practice and holistic education.

With the steadfast support of our parent community, **Chinmaya Vidyalaya, New Delhi**, has further strengthened its position as a centre of excellence by earning several prestigious recognitions.
