Dear Parent,

Hari Om!

We hope and pray for the well-being of all. Chinmaya Vidyalaya is making endeavours to provide quality education to the children. The Vidyalaya focuses on imparting value-based quality education along with experiential learning. We promote the holistic development of the students in which you, as a Parent, have been playing a pivotal role, helping the school to achieve greater heights.

Even as the school continues to raise its benchmark and achieve greater milestones. The school is facing a significant financial deficit and is currently not in position to pay the incremental salary and DA hike as per even the Sixth Pay Commission. With the rising costs and minimum wages unfortunately the existing fee structure is also not sufficient to meet out the operational expenses of the school.

The school has not revised the fee for the month of April 2023, The revision of fee will be shared shortly with the parents which will be payable w.e.f April 2023.

**Note:** The school shall be making an increase in its fee retrospectively, which shall be communicated to you in due course of time. For the present, the Fee bill is being raised at the rate of the last academic session (2022-2023). The revised transport fee has been shared with the parent in the study group (Google Doc).
