Dear Parent

Hari Om & Greetings from Chinmaya Vidyalaya

Another successful academic year has gone by, and it is time to start the new session with a lot of enthusiasm and fervour. I would like to take this opportunity to congratulate and appreciate the collective endeavours made by the school with the support of the parent fraternity towards developing a vibrant and progressive Chinmaya Vidyalaya.

The academic session 2022-23 began with vigorous efforts made by the staff for the socio-emotional adjustment of the students who had come back to offline schooling after more than a year after the COVID Pandemic.

With a sense of pride and contentment, I share with you that we continued to deliver quality education.

The year 2022 was a year of achievements for us all to be proud of. It is with great delight that I wish to share with you some noteworthy accomplishments of the school.

The school has been ranked-

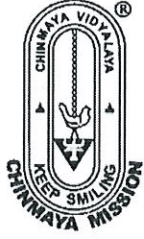

- **7th** in 'Leaders Category', in South-West Delhi Zone, in '**Times Survey 2022**' conducted by Times of India.
- **13th** in India and ranked **3rd** in New Delhi for exemplary contribution in the field of Education under the category '**India's Top 20 CBSE Schools**' in a survey conducted by **Education Today**.
- No.1 for '**Holistic Education**' in New Delhi, in the **CBSE Category** for The North India's School Merit Awards.

It has also received National Level Recognition for being '**Top 50 Futuristic School of India**' in 2022, the **Brainfeed School Excellence Award** in appreciation for committed efforts and innovative approach to groom the young learners with skills for life and **National Education and Training Excellence Award 2022**.

To ensure hybrid education for the lesser privileged section of students, Tablets were given to the Primary Department EWS students by Chinmaya Mission in collaboration with Wika.

We, as Chinmaya family, have been moving swiftly to carve a niche for ourselves among the acclaimed schools in Delhi. Parents are great stakeholders in the growth of their children, and we are sure that the school-parent partnership will empower the children to emerge as global citizens who positively and responsibly impact the world.

As the school progresses to achieve greater milestones, it is confronted with a grave challenge. The school does not have adequate financial resources as the fee increase did not take place for some years in the past. Keeping in mind the financial requirements on account of payment of salaries as per 7CPC to the staff, inflationary trends and operational expenditure, the school has proposed a fee increase in the session 2023-24. The revised fee structure for the session will be shared in due course of time. The revised transport fee has been shared with the parent in the study group (Google Doc). I humbly request the parent fraternity to cooperate with the school as has been admirably done by you all in the past.

The Vidyalaya will also appreciate prompt and timely payment of fee on the part of parents. There is an option available for quarterly payment on the portal. The timely payment of fee enables the smooth running of the school and payment of salaries.

Dear Parents, I sincerely thank you for your support and cooperation which has been the source of strength for the Vidyalaya. With this faith in your cooperation, the staff and students usher in the new academic session 2023-24 with renewed vigour and enthusiasm to scale new heights.

Your steadfast co-operation and support inspire us to achieve one milestone after the other. We thank you all once again for your support and synergy.

Wishing you and your ward yet another year of good health, happiness and fun filled learning in academic session 2023-24.

May Pujya Gurudev always shower his blessings on us.

With best regards

Archana Soni
