FEE CIRCULAR

Dear Parent

Hari Om!

We hope and pray for the well-being of all. We are all looking forward to welcoming the new academic session 2024-25.

Your support and cooperation has enabled the school to scale new heights. It is with joy I share that Chinmaya Vidyalaya was **Ranked No. 13 in India** and **No.4 in New Delhi under the Category- Top 20 CBSE Schools** in the survey conducted by Education Today in 2023.

The Vidyalaya is progressing and adapting to the changes in the education space to cater to the growth of all students. There is an attempt to improve the school infrastructure for the students. Chinmaya Vidyalaya provides to each of the students quality education, ensuring that they are being encouraged to learn and to grow each day.

Parents are the strength of the school, as shared before, Chinmaya Vidyalaya has not increased any fee from 2017-18 to 2021-22. Due to this the school is facing a significant financial deficit and is currently not in a position to pay for the incremental salary (7th CPC) and DA hike as per even the Sixth Pay Commission. With the rising costs and inflationary trends, the existing fee structure is also not sufficient to meet out the operational expenses of the school.

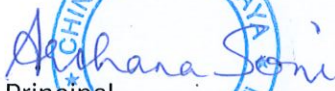

Keeping in mind the parent consideration and to meet out the current financial deficit and requirement of the school the Managing Committee has approved an increase in fee structure for the academic session 2024-25. Though this increase is also not going to meet out the full financial deficit of the Vidyalaya, but it can help the Vidyalaya to meet out the current operational cost of the Vidyalaya and the 7 CPC payout to the staff.

The revised fee structure is shared on the Portal. Parents are humbly requested to cooperate with the school enabling us to give to the children the best they deserve.

We feel immensely fortunate and indebted to our parents and the students for the support and cooperation and look forward to continued meaningful and constructive engagement in the session 2024-25.

Wishing you all a safe and joyful year of learning and achievements.

Warm regards

Principal
