SCOOP

## From the Principal's Desk

*The journey from ignorance to enlightenment embodies the essence of knowledge. It transcends mere facts, encapsulating the relentless pursuit of truth and comprehension. Within the pages of "The School SCOOP," the E-newsletter of the Pre-Primary Department, lies a captivating compilation of commendable practices, activities, and achievements of the learners. The radiant faces of both teachers and students, brimming with joy during the process of teaching and learning, eloquently convey the profound delight experienced in these formative years.*

**Fun  
Facts**

- 1) The jaw is the strongest muscle in the human body and you can only move the lower jaw.
- 2) The eye is the fastest muscle in the human body and it can distinguish between million colours.

You got this

With enigmatic clues, let's unravel this spree  
Together, we will solve it, just you and me!!

[Click for  
Answer](#)

Q1) What has two, but grows in hotter countries?

Q2) I am the hard structure that grows at the tip of your fingers and toes. Who am I?
