LUMINESCENCE

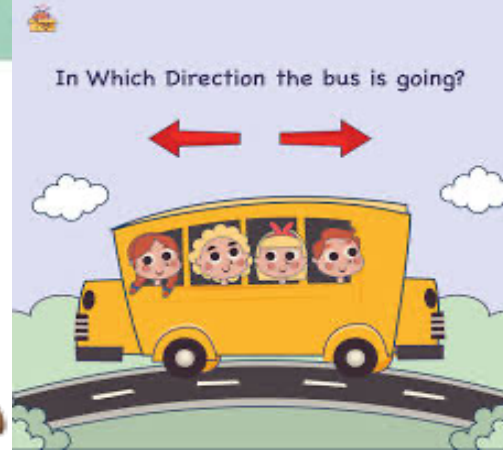

From the Principal's Desk

Knowledge is a journey from ignorance to enlightenment. It's not merely facts, but the pursuit of truth and understanding. Luminescence, the English e-newsletter by the Primary Department is a beautiful compilation of all the good practices, activities and accomplishments of the learners. The faces that beam in delight while teaching and learning speak volumes about the joy that the teachers and the students experience in these foundation years.

what you can give, not on
what you can get.
